Bass Driving School, LLC Student Driving Availability Form

Dear Students and Their Parents/Guardians,

Thank you for choosing Bass Driving School, LLC for your driver's education. The student's driving schedule will be e-mailed to you about a week after your student successfully completes the 30 hours of classroom instruction and passes the Know 2 Drive test with a score of 80 or above.

WE WILL CONSTRUCT THE DRIVING SCHEDULE FROM THE INFORMATION YOU GIVE US. Once driving schedules are formulated, we do not change them with the exception of dire emergency situations. Please give this form a lot of thought and planning. Consider all upcoming plans (home, school, church, and community, Holiday Breaks) for the next 1-2 months following your course.

Please answer the following questions:

1) Please check days of the week the teen driving student is available to drive **for the 2024-25 school year:**

_____M _____Tu. _____Wed. _____Thurs. _____Fri. _____ Sat.

2) Is your teen **homeschooled?** _____ yes _____ no

3) If so, can he/she drive from 8 A.M. to 3 P.M. on weekdays? _____ yes _____ no

5) If so, can he/she drive from 8:00 A.M. to 3:00 P.M. on weekdays? _____ yes _____ no

6) Can the student drive during school breaks? _____ yes _____ no

7) Please list additional information that may help us schedule your teen's 4 driving sessions here:

Please list any days/times on the back of this form that the student can NOT drive. Remember- the more available your teen is to drive, the more quickly we will probably be able to drive them. Thank You!
